Construction Risk Material Damage & Public Liability

This product is designed to protect your assets and liabilities arising during the course of construction.

Workers Compensation

This policy is arranged on an annual estimate of wages, but unlike others you do not have to keep detailed records of your sub contractors wages. We simply calculate it at a rate on the value of the work you are undertaking.

Builders Warranty

Construction Insurance Services can arrange Eligibility with leading insurance companies and specialists underwriting agencies. These include National and International companies such as CGU, Vero, QBE and Lumley.

We have the facility to produce warranty certificates within our office, and certificates can normally be issued within Twenty Four (24) to Forty Eight (48) hours, subject to payment of premium.
